Miss TSU Cheryl Biggs

On February 26, 1977 Miss Cheryl Biggs was crowned Miss Troy State University. Cheryl, a junior, was sponsored by the Sigma Chi Fraternity. For her talent she performed the theme song from "A Star Is Born," "Evergreen." The night's excitement did not end with the pageant — when Cheryl returned to her room her sorority sisters welcomed her with hugs, tears, and toilet paper.

The Miss Troy State University Pageant is the culmination of many hours of hard work and practice. Behind the scenes are the stage crew, the *Palladium* staff, and the girls themselves. Previous to the Pageant there is a tea given by Mrs. Ralph Adams, preliminary judging, and personal interviews.

Trojan Cross-Country Team Takes GSC Title Once Again

The 1976 Fall Quarter at Troy State was well remembered because of the GSC Championship that was won in Football. But, do you remember hearing that the Cross-Country team once again finished on top of the GSC also? Well if you remembered that, did you know that it was the third GSC Championship in a row for Coach Doc Anderson's team, and also that the Troy Cross-Country team has won four out of five titles since the conference was formed in 1971.

Teammates Richard Pipkin and David Shilling will graduate this year leaving the future hopes of the team to All-GSC members Ed Palmer and Gary Funkhouser. No doubt the loss of those two members will be felt, especially with Pipkin being named to the GSC team twice, in four years.

Taking wins from Division I teams is not something new for Troy State Cross-Country teams. Defeating much larger schools, such as Florida, Florida State and Auburn, the team once again won the NAIA District 27 meet and qualified for the finals in Salina, Kansas.

"IT'S ALL IN A STATE OF MIND"

IF YOU THINK YOU ARE BEATEN, YOU ARE;
IF YOU THINK YOU DARE NOT, YOU WON'T,
IF YOU LIKE TO WIN BUT DON'T THINK YOU CAN,
IT'S ALMOST A CINCH YOU WON'T.

IF YOU THINK YOU'LL LOSE, YOU'LL LOSE,
FOR OUT IN THE WORLD YOU'LL FIND
SUCCESS BEGINS WITH A FELLOW'S WILL
IT'S ALL IN A STATE OF MIND.

FOR MANY A GAME IS LOST
ERE EVEN A PLAY IS RUN,
AND MANY A COWARD FAILS
ERE EVEN HIS WORK IS BEGUN.

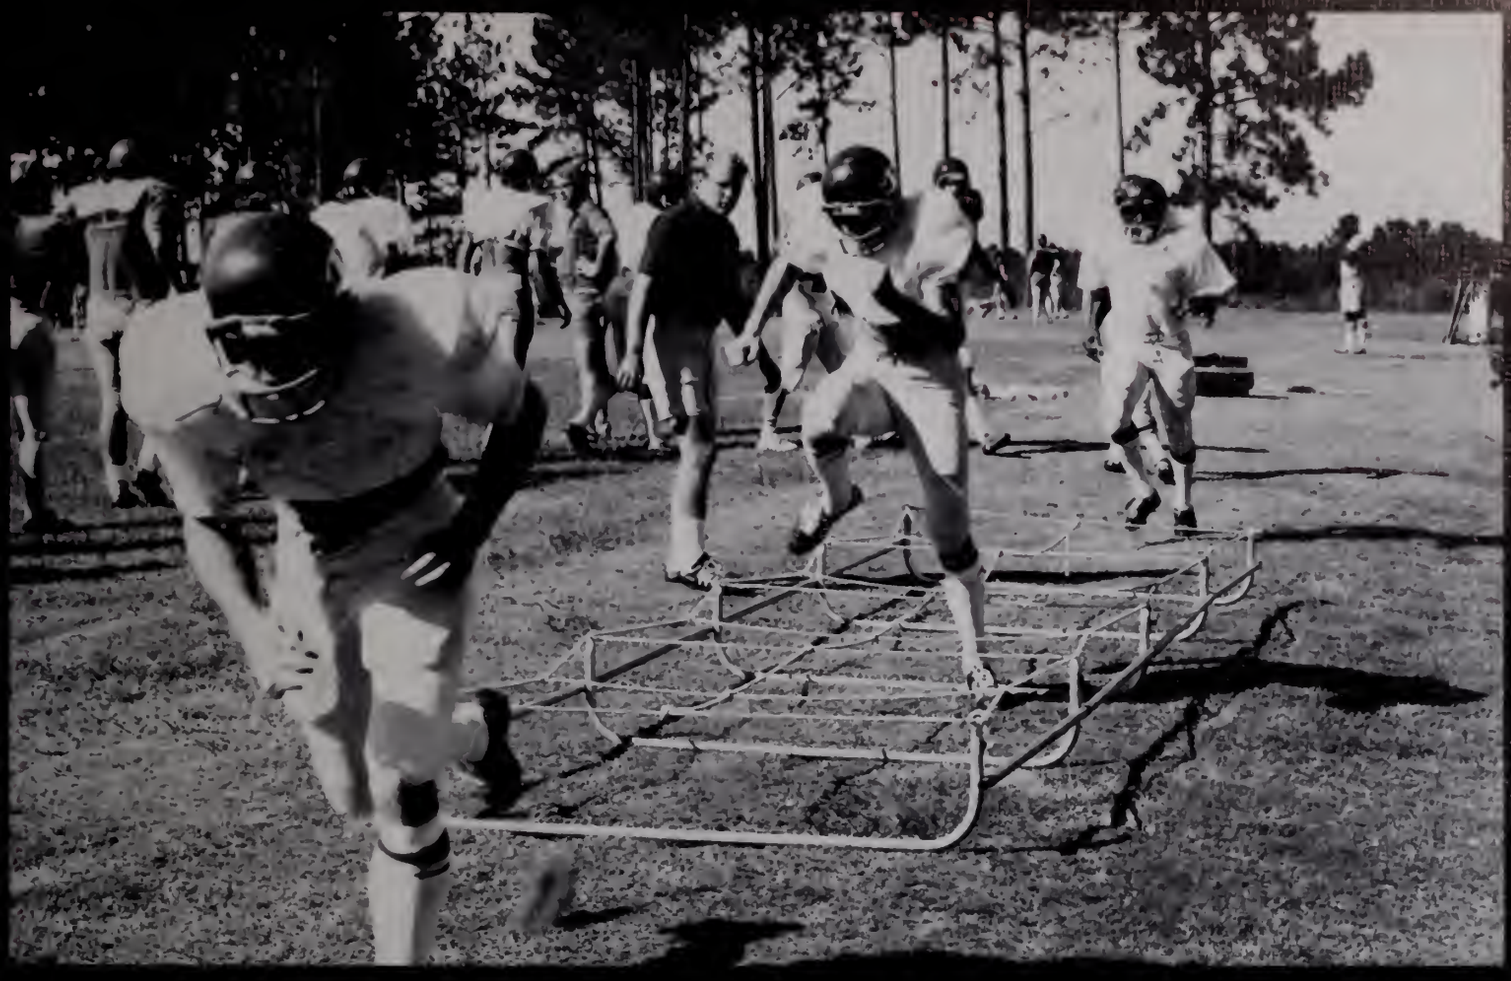

THINK BIG AND YOUR DEEDS WILL GROW,
THINK SMALL AND YOU'LL FALL BEHIND,
THINK THAT YOU CAN AND YOU WILL,
IT'S ALL IN A STATE OF MIND.

IF YOU THINK YOU'RE OUTCLASSED YOU ARE;
YOU'VE GOT TO THINK BIG TO RISE
YOU'VE GOT TO BE SURE OF YOURSELF BEFORE
YOU CAN EVER WIN A PRIZE.

LIFE'S BATTLES DON'T ALWAYS GO
TO THE STRONGER OR FASTER MAN
BUT SOONER OR LATER, THE MAN WHO WINS
IS THE FELLOW WHO THINKS HE CAN!

"IF"

IF YOU CAN KEEP YOUR HEAD WHEN ALL ABOUT YOU
ARE LOSING THEIRS AND BLAMING IT ON YOU,
IF YOU CAN TRUST YOURSELF WHEN ALL MEN DOUBT YOU,
BUT MAKE ALLOWANCE FOR THEIR DOUBTING TOO;
IF YOU CAN WAIT AND NOT BE TIRED BY WAITING,
OR BEING LIED ABOUT, DON'T DEAL IN LIES,
OR BEING HATED DON'T GIVE WAY TO HATING,
AND YET DON'T LOOK TOO GOOD, NOR TALK TOO WISE:

IF YOU CAN DREAM — AND NOT MAKE DREAMS YOUR MASTER;
IF YOU CAN THINK — AND NOT MAKE THOUGHTS YOUR AIM,
IF YOU CAN MEET WITH TRIUMPH AND DISASTER
AND TREAT THOSE TWO IMPOSTERS JUST THE SAME;
IF YOU CAN BEAR TO HEAR THE TRUTH YOU'VE SPOKEN
TWISTED BY KNAVES TO MAKE A TRAP FOR FOOLS,
OR WATCH THE THINGS YOU GAVE YOUR LIFE TO, BROKEN,
AND STOOP AND BUILD 'EM UP WITH WORN-OUT TOOLS:

IF YOU CAN MAKE ONE HEAP OF ALL YOUR WINNINGS
AND RISK IT ON ONE TURN OF PITCH-AND-TOSS,
AND LOSE, AND START AGAIN AT YOUR BEGINNINGS
AND NEVER BREATHE A WORD ABOUT YOUR LOSS;
IF YOU CAN FORCE YOUR HEART AND NERVE AND SINEW
TO SERVE YOUR TURN LONG AFTER THEY ARE GONE,
AND SO HOLD ON WHEN THERE IS NOTHING IN YOU
EXCEPT THE WILL WHICH SAYS TO THEM: "HOLD ON!"

IF YOU CAN TALK WITH CROWDS AND KEEP YOUR VIRTUE,
OR WALK WITH KINGS — NOR LOSE THE COMMON TOUCH,
IF NEITHER FOES NOR LOVING FRIENDS CAN HURT YOU,
ALL MEN COUNT WITH YOU, BUT NONE TOO MUCH;
IF YOU CAN FILL THE UNFORGIVING MINUTE WITH SIXTY SECONDS'
WORTH OF DISTANCE RUN,
YOURS IS THE EARTH AND EVERYTHING THAT'S IN IT,
AND — WHICH IS MORE — YOU'LL BE A MAN, MY SON!

Rudyard Kipling

TROY STATE WINS

With an

A Winning Season
Ranked 6th in Final NCAA Poll

When Troy State University went football coach hunting last November, one criterion was to find a man who would return the Trojans to national prominence.

Charlie Bradshaw was the pick. Championship and national prominence were the results.

"Back in December it seemed impossible that we could be rewarded like this," Bradshaw said on a cold November 13 night in Jacksonville, Ala.

He had just witnessed his team's final stride toward the 1976 Gulf South Conference championship.

The 19-16 victory over arch-rival Jacksonville State was the crowning glory to the University's best football record since 1969.

But the climb wasn't an easy one. It started on the road, a 38-9 victory over NAIA power Angelo State University in Dothan, and ended away from friendly Memorial Stadium.

"We can thank hard work, dedication, and great leadership from a super bunch of seniors for our success," Bradshaw said. "We spent a lot of long hours to accomplish our goals and I couldn't be prouder of our players for their dedicated effort."

Blasting Angelo State was the first of eight victories during the year. The only blemishes were a 10-10 tie with Western Kentucky, the 1975 NCAA runner-up, and 21-7 loss to Southeastern Louisiana. Both occurred on the road.

The loss to Southeastern was the only stumble along the path to the conference championship.

Bradshaw will readily point out that the foundation for this year's championship season wasn't built in August. It started in January when there were no crowds or fanfare. It was a lonely beginning.

January was when the players and coaches set their sights high. Then the toll of an off-season program started. But the benefits of lifting weights and running started to show during the spring and carried through to the fall.

After his team reported to pre-season practice in mid-August, Bradshaw assessed its condition: "I'm pleased with the overall condition of the squad and it appears that our players dedicated themselves to their summer conditioning program," were the words that first day.

Assistant coach Jay Jeffcoat said that same afternoon, "We appear to be physically in as good a condition as any team I've ever been associated with."

With the cold days of winter and hot August afternoons behind them, the Trojans opened their season in Dothan. Bradshaw shocked the visiting Texans in his first appearance as TSU's head man.

Next was Western Kentucky. A crowd of 16,750, the largest to ever see a TSU team play, packed WKU's stadium. Many tears were shed after the 10-10 tie.

"We felt we could have won it and I thought our kids played a whale of a game," Bradshaw said afterward.

Soccer kicker Randy Yancey booted a 42-yard field goal with no time remaining the following week to lift the Trojans to a 17-16 victory over Alabama State.

"We showed a little class out there," a relieved Bradshaw told sportswriters after the game.

Class, the magical five letter word, was soon to become characteristic of Bradshaw's first TSU team.

Nicholls State was the victim of a 14-9 Trojan victory the following week and the nation's pollsters started raising their eyebrows.

After Nicholls it was Livingston. A capacity crowd turned out for the Trojan's first appearance in Memorial Stadium. The Trojans responded with a 17-9 win over a team that had advanced to the NCAA quarter-finals last year.

Now Troy State had the nation's attention.

The Trojans entered their sixth game of the season ranked fifth in the NCAA, the highest rating ever by that committee for a TSU team.

But Southeastern Louisiana spoiled all that by scoring two touchdowns in the final three minutes in a 21-7 upset. When the Trojans left Louisiana that night they had a new purpose — win the rest and forget Southeastern.

Delta State brought its hopes for a GSC title to Memorial Stadium only to have them shattered. TSU rallied late for a 29-20 win. Earlier that afternoon, Livingston had knocked off Southeastern Louisiana, putting the Trojans back on top in the conference.

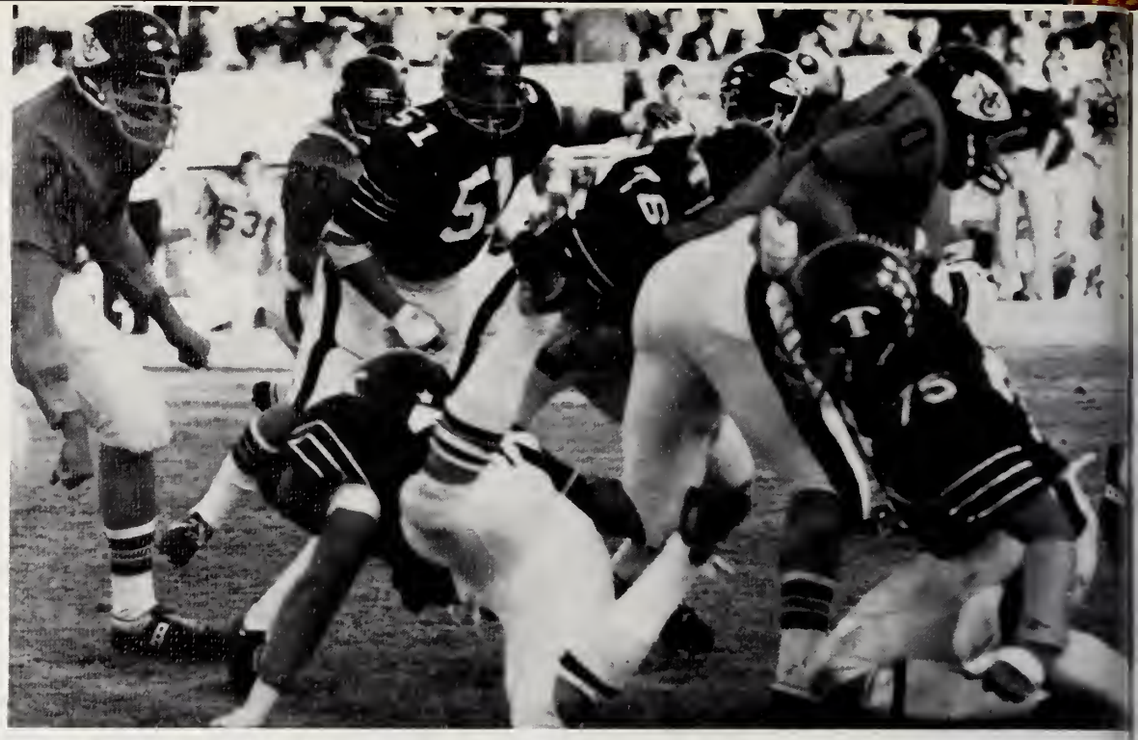

Bradshaw's team would never lose that spot, although it remained in jeopardy until the final week.

After Delta, the Trojans travelled to North Alabama and put together the finest offensive show at that point on the schedule. TSU brought a 17-3 victory back to Troy. The win jumped TSU to 10th in the NCAA.

STROY

Homecoming rolled around and brought with it a visit by Mississippi College. The offense improved its performance from the previous week. Ten thousand Trojan fans, including Gov. George Wallace, watched TSU chew up MC to a 38-6 tune.

The win over Mississippi College jumped the Trojans to eighth in the NCAA poll. A dreaded trip to Jacksonville would be the final game of the year.

TSU had not won a game in Jacksonville since the 1968 NAIA championship team routed JSU 31-0.

The Trojans took an early lead but had to fight back in the third quarter when JSU went ahead 14-13. Three goal line stands were made by the Trojan defenders, and the offense came back with the final touchdown making the score 19-16.

Tears appeared in the dressing room again, but for a different reason. Bradshaw moved about the locker room and shook every hand and hugged a lot of necks.

The final NCAA poll lists the Trojans sixth. For the first time in history, the university's name appears in that association's final top 10.

History was made again when the conference trophy came to the Davis Field House for the third time. No other GSC school has won two football crowns since the league was formed in 1971.

The man behind it is a man with a purpose. One player who wished to remain anonymous said it best after the Jacksonville State game. "I was ready to give this game up until Coach Bradshaw talked to us for the first time back in January. He offered us a challenge but he told us we would have to sacrifice. He gave us a purpose and a new meaning. All of a sudden, the game meant something to me again because he showed us he cared about each and every one of us."***

Hollis, Felix Lead Team to 11-5 Season in GSC

1977 was a year for Troy State University Basketball records to be broken. Seniors Carl Hollis and David Felix ended their college careers in a manner that a lot of players only dream about.

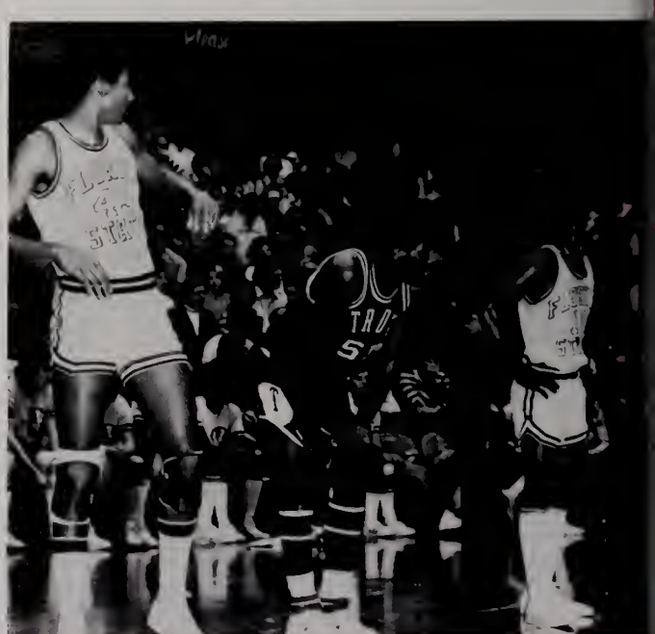

Both Hollis and Felix were named to the all-GSC team once again, Hollis for the fourth time and Felix for his third. Junior, Marvin Sales was named to the second team in the GSC, while leading the team with the highest field goal percentage of .563.

After gaining entrance into the Regional Tournament, TSU defeated Lincoln University of Missouri, 81-75 but were beaten by UNA in the finals, 77-70.

"We accomplished one of our main objectives this year," said Coach Wes Biziliä. "And that was to win the conference. We could of been more successful this year if we had won a couple of games that we played close; which would have given us a great year."

TWICE IN A ROW

Most teams only dream of winning a National Championship but to even think of winning two in a row; well that is just something that is not to be thought about. The Trojan Golf Team led by Cleve Coldwater and Ronny Mobley and not to mention Coach Mike Griffin, can now tell everyone it was no dream.

Defending their 1976 National Title successfully, the team held onto their lead in the final round of action on the Padre Island, Texas Golf Course to win by nine strokes. Coldwater who led going into the final round of action, lost in sudden-death playoff to Arkansas-Little Rock's David Thornally for the Individual Medalist honor. Thornally sank a 60 foot birdie putt on the first hole of sudden-death, to edge out Coldwater.

Senior and four-time All-American Ronny Mobley, finished third in the National Tournament. Both Mobley and Coldwater qualified to compete in the NCAA Division I National Tournament. Randy Hedgecock, Don Reese and David Dougherty completed the five-man team that went to the National Tournament.

Placing second in the GSC tournament behind champion, Nicholls State, the Trojans went into the Tournament as highly favored to repeat as National Champions.

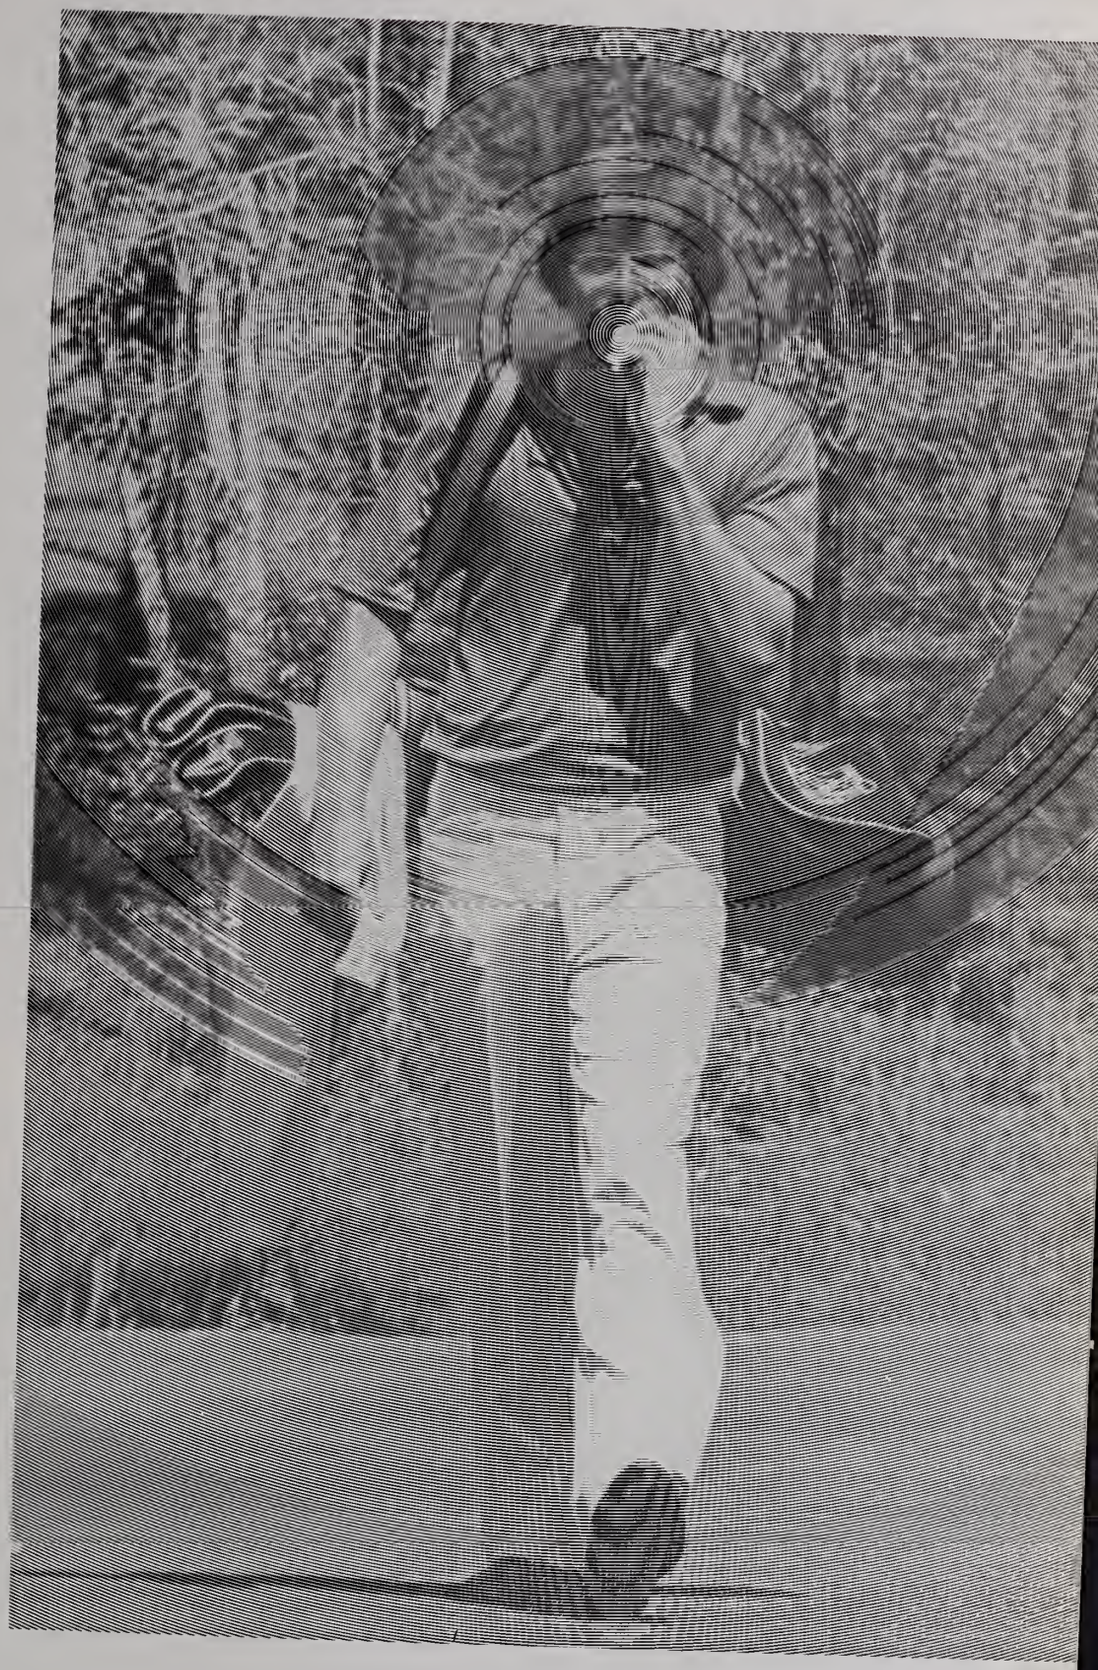

Well it is a sure bet that the Nation has awakened from a dream, into reality, after the Trojans have won their second National Championship.

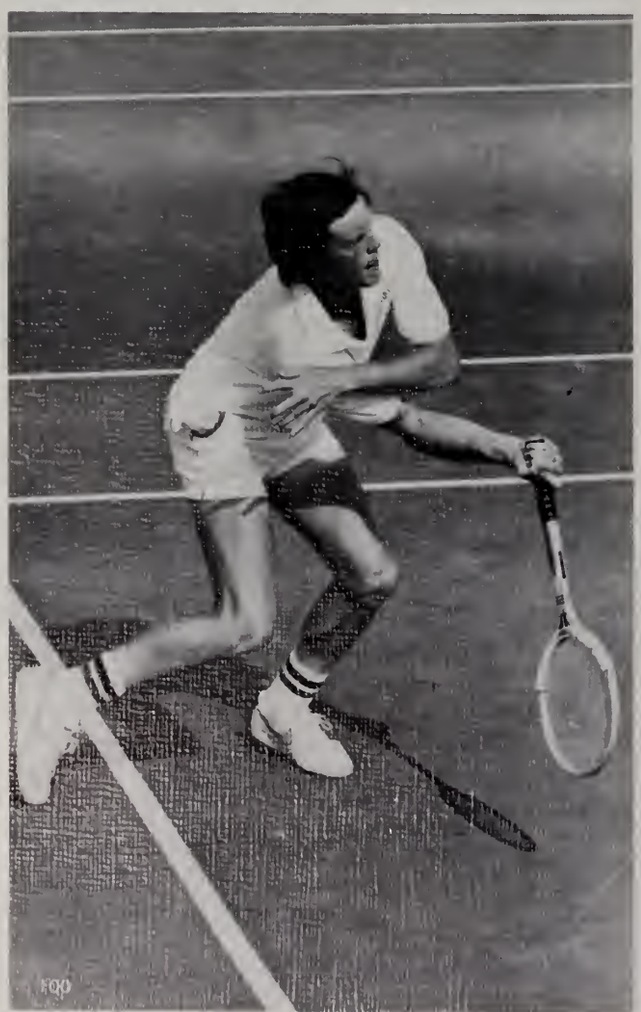

Kneeling, L-R — Scott Ewing, Mike Watson, Steve York, Rick Hanauer. *Standing, L-R* — Coach Watford, Richard Betts, Rick Warden, Rock Warden, Ken West, Darby Brooks.

FOUR FOR FOUR

Tennis Team Goes to Nationals

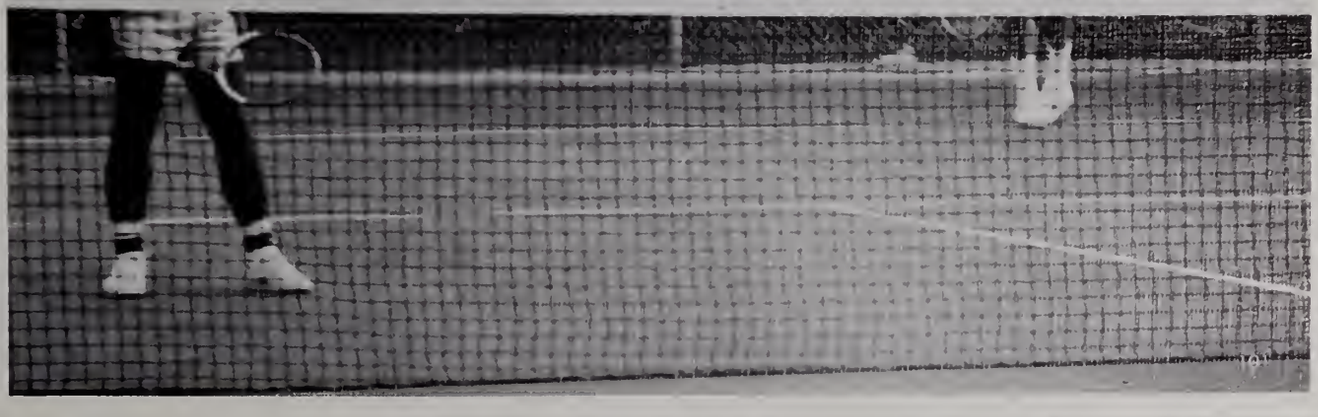

For the fourth time in four years, the Troy State Tennis team went to the NAIA National Tournament. Coach Luck Watford's team had an impressive 15-8 overall record and ended up fifth in the GSC. Although placing fifth in the Conference, the team went on to win the District 27 meet for the fourth time also.

Midway through their schedule, they had a winning streak that consisted of 10 wins. During this streak they beat the University of South Alabama, Jacksonville State University, and the University of North Alabama, twice.

In her first year as Coordinator of Women's Sports at Troy State, Coach Joyce Sorrell has taken both the Basketball and Volleyball teams to state tournaments.

The Women's Volleyball team had two of its players named to the state's all-star team, Katie Byrne and Martha Shipman were given these honors after their team competed in the tournament in Auburn.

On the basketball court, the women got as far as the AIAW Regional Tournament, before being eliminated. Seniors Jane Shulsen and Debbie Bruce were named to the all-state basketball team. Shulsen, who was named to the team for the second consecutive year, made the team as a forward. Bruce was named as a guard.

Finishing the season with a 16-10 record, the women only allowed an average of 60 points a game to the competition, while scoring an average of 75.2 points themselves.

After winning the state level of competition, the Women's Tennis Team competed in the AIAW National Tournament. Freshman Nancy Dansby finished the season with a 17-3 singles and 14-1 doubles record.

Sports for Women here at Troy State should in the years to come, be of very tough competition, to the teams they play.

NCAA POST-SEASON PLAY

• Trojan Baseball Team Receives First-Ever Bid

Receiving a bid for the first time ever, the Trojan Baseball team competed in NCAA Post-Season play. Competing in the NCAA Regional Baseball Tournament in Jacksonville, Ala., the team played the first and third rated teams in the Nation. Losing to eventual winner Eckerd College 15-5 in the opening game, the Trojans then lost to number one rated Florida Southern, 3-2. In the loss to Southern, Troy State had the lead 2-1 going into the ninth, but a two-run homerun put the Moccasins on top.

In the GSC Eastern Division race, once again the Trojans finished second behind the Gamecocks of Jacksonville State. Finishing with 9-5 record in the GSC and 19-13 record overall, the Trojans only lost the race by a half-game.

Third Baseman Randy Rand and Pitcher Ron Pierce, were named to the all-GSC team. Pierce who was named for the second consecutive year, finished the season with an 8-4 record and a 1.80 Earned Run Average. Rand finished the season batting .271, with 22 runs batted in and seven homeruns.

With the entire infield returning and all but one outfielder, the Trojan Baseball team should have the experience to win the GSC next year.

HOMECOMING 1976

Homecoming Week began this year with the TROY STATE SPIRIT. Everyone participated in the building of lawn decorations and many signs were placed throughout the campus. The week was an exciting, yet busy one. Besides float building, there was the big name concert which featured Charlie Daniels. Truth also visited Troy State once again. The pep rally proved a success with the spirit which filled the stands. When Homecoming day came, the work was far from over. The Delta Kappa Epsilon's were chosen as the winners of the lawn decoration. Miss Cheryl Biggs, sponsored by Sigma Chi, was crowned queen at halftime activities. Her court included: Jaina Jones, Anita Thomas, and Beverly Jones. The day proved to be an exciting one, as the Troy State football team beat the Choctaws of Mississippi College. Homecoming ended as another weekend to remember.

Panhellenic President: Connie Bryan

PANHELLENIC COUNCIL

The Panhellenic Council is comprised of representatives from each sorority. Its objectives are to strengthen relations within the sororities themselves, work more closely with IFC, and maintain relations with the University as a whole. Emphasis was placed this year on scholastics, with the Panhellenic Scholarship Trophy being awarded each quarter to the sorority with the highest grade point average. Four members attended the Southeastern Panhellenic Conference at Louisiana State University, bringing back with them many progressive and workable ideas. Panhellenic is looking forward to an exciting and innovative rush this fall.

ORGANIZATIONS

Student Government Association

L to R — Jana Jones — Secretary, Gary Byrd — Senator-at-Large, Rock Jellison — President, Frank Espy — Vice President, David Searcy — Clerk, Bo-Dog.

The concept of Student Government has been with us for quite some time now and will remain as the years go by. With each passing year new groups of students try to use this medium in a manner that they feel, being duly elected representatives, is in the best interest of the student body. When Frank Espy and I decided to run for the offices of President and Vice-President we knew that there was a great deal of apathy among the students towards their S.G.A. Our number one objective this past year has been to alleviate this by showing the students that Student Government is a viable and working organization and that it can be an effective tool in voicing student opinions on policies set forth by the Administration.

We have tried to achieve this goal by keeping the students informed, by all means at our disposal, and by keeping them informed we have been able to show them that accomplishments can be made through hard work and dedication. Some of the accomplishments that have come about during this year that I feel are important in that they indicate Student Government really works include the success of the Mini-Quarter, extension of library hours during finals, the out-door speaker system, enforcement of fire regulations in the dorms, initial groundwork for a state wide student lobby, and the beginning of the Student syllabus and the student guide.

To have a capable and potent student government at any institution requires many different areas coming together to work as one.

First, you must have strong, effective leadership in your Executive Branch. Secondly, you must have an active and dedicated Senate. Thirdly, and most importantly, strong student support. But to gain that support, which in turn makes for a strong S.G.A., the students must feel that their S.G.A. is working in a diligent and unified manner. The Executive Branch, along with members of the Senate, have tried our best to gain this student support through our consistent and sometimes bizarre manner of behavior.

Hopefully, some of you that have been with us this year will agree that it has been a good beginning towards a student government that is strong with student support and significant in its actions and with the election of Frank and Jana as your student leaders in the coming year I feel proud and confident that all our time and work was not ill-spent.

I would now like to say thank you to some very special people who made the whole year go. Special thanks to my main man Frank Espy, Jana Jones — not a better secretary to be found and David "Clerk" Searcy. Progressive members of the Senate: Ms. Lisa R. Branch, Don Drinkard, Tommy Bryan, and Gary Byrd, ACUB Chairwoman Deborah K. Benton, Robin Caldwell and the staff of the Tropolitan, Mrs. Merle "Dragon Lady" Jernigan and all the student workers who put up with us, Mr. Marvin Vickers, whose guidance and understanding was immeasurable, and last but not least to all the students who gave us their support and confidence.

ACUB
Adams Center Union Board

The Adams Center Union Board again produced a very popular program of varied entertainment during the '76-77 school year. The emphasis was, as always, on reaching as many students with as many activities as possible. Harold's Club Party, A Nite At The Races, Coffee Houses, co-sponsorship of CATCH A RISING STAR, plus current popular movies and old favorites brought the greatest participation in our short time here on campus.

Fall Quarter, the Union Board hosted the annual Region VI Fall Conference of the Association of College Unions — International, the first time this conference has been hosted by a school the size of Troy State. At the conference, Joel Williams was elected as the Alabama State Chairperson, the second consecutive year for Troy State to hold that position. Debbie Benton, this year's Union Board Chairperson was the Arrangements Chairperson.

This spring, Debbie Benton, Alternate Assembly Delegate to the Student Staff Assembly, represented Troy State at the International Conference in San Diego, California.

Air Force ROTC

Air Force ROTC provides exceptional opportunities for outstanding college men and women. The diverse curriculum includes a review of communicative skills, a survey of professionalism, leadership and management concepts, and a study of national security from a military standpoint. In addition to demanding academic work, cadets enjoy extracurricular activities such as intramural sports, Arnold Air Society, Angel Flight, Military Balls and other social activities.

Major James B. Phillips, Major Charles Richardson, and Captain H. V. "Scott" Sutton, began tours with Troy State's Air Force Detachment in the summer of 1976. These new officers helped boost enrollment to a record high of 165 cadets in the fall of 1976.

Cadets Hugh Ivey, John Maluda, and Audrey Doyle won nationally recognized awards at an Area Conclave of the Arnold Air Society in Gatlinburg, Tennessee. The quarterly corps newspaper, edited by Cadets Dick Cole and Lisa Branch, was chosen as the best from 147 Air Force ROTC detachments in the United States.

Corps Commander John Steinbauer was chosen as the outstanding Air Force ROTC cadet in Alabama. Govenor Wallace honored him in a ceremony May 20, 1977.

AFROTC prepares the cadets for a challenging and rewarding career upon graduation. Cadets are commissioned in the United States Air Force as Second Lieutenants upon graduation and go on to serve their country as dedicated and responsible leaders. Although one of the smaller universities offering Air Force ROTC, Detachment 017 of Troy State commissioned 22 cadets. This record number tied Troy State for eighth among universities nationally in the number of officers commissioned in 1977.

With the job market as it is today, there is an increasing interest in AFROTC. What better way to be guaranteed a job upon graduation than through AFROTC?

The Society of Professional Journalists, Sigma Delta Chi, is the largest, oldest and most representative organization serving the field of journalism.

The Society is dedicated to the highest ideals of journalism. Through a broad range of programs, it seeks constantly to raise the standards of competence of its members, to recognize outstanding achievement by journalists, to advance the cause of freedom of information, and to elevate the prestige of journalism.

The Society was founded as Sigma Delta Chi, a journalism fraternity, at DePauw University, Greencastle, Ind., in 1909. And in 1973, the name was changed to The Society of Professional Journalists, Sigma Delta Chi. Student membership is by invitation, following election by a campus chapter.

The Troy State University Chapter of SDX is one of the most active honoraries on the TSU campus. SDX sponsors an annual cookbook of quick and easy recipes, co-sponsors the Hall School of Journalism high school journalism workshop, and assists with the annual Hector Awards.

For the first time this year there were two touring groups who entertained over 21,000 students. The group presents animal improvisations and nursery rhymes along with fairy tales that have become classics. They are directed by Dr. David Dye.

The Youth Association for Retarded Citizens is affiliated with the local, state, and national organizations. The main purpose is to provide services to the retarded on a one-to-one basis and to give them opportunities to experience social interaction with normal youth.

The major project of the TSU chapter was a Dance-a-thon to raise money. The proceeds were divided between three agencies: Pike County Special Education Program, Troy City Special Education Program, and The East Central Mental Health Day Care Center.

Troy State's student-edited newspaper, The *Tropolitan* covered the campus like concrete during the 1976-77 school year, reporting campus events, commenting on the news and featuring the highlights of college life.

Robin Caldwell, a senior journalism major from Brundidge, edited the newspaper for her second year. Just as other organizations have fluctuating memberships, the *Tropolitan* staff added new members and dropped a few each quarter. However, the staff was held together by the paper's editorial board, John Canfield, Phil Willis, Jimmy Pittman and Wayne May, Business Manager Paul Crutchfield, and faculty advisor James Natale.

The *Tropolitan* was published weekly, on Thursdays and printed by the Troy Messenger. It took two weeks planning in advance for each issue, plus daily jobs of reporting, editing, taking photographs and calling on advertisers.

Journalism and advertising classes, taught by Mrs. Judy Wagnon, Mr. James Natale, and Mr. James Dykes were instrumental in publishing the *Tropolitan*. Stories written in class were frequently printed in the paper, as were advertisements designed and sold by advertising students.

Today Troy State University offers classes at locations in England, Germany, Holland, Italy, Norway, Spain, and Turkey.

The Troy State University European campus is composed of twenty-five mini-campuses in seven countries; two in Italy, two in Turkey, six in England, nine in West Germany, one in Holland, one in Norway, and three in Spain. Since its inception in August, 1974, the European Division, with 14 courses at eight US Air Force installations, and an initial enrollment of 221, has grown to 52 courses at 16 bases and an enrollment of 687.

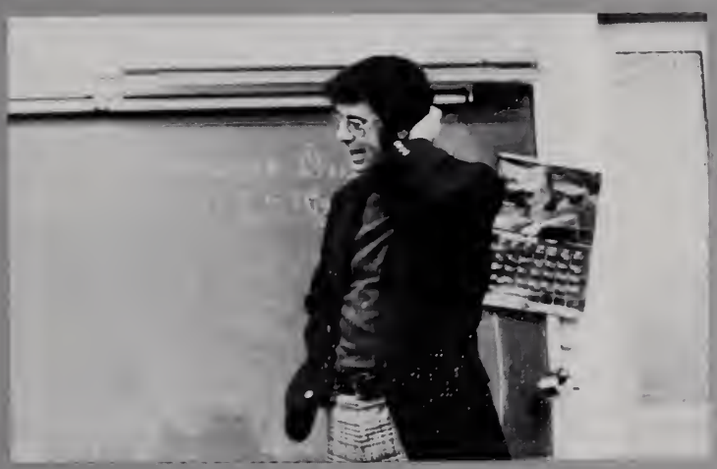

Individuals with a Bachelor's Degree from an accredited university are eligible for the programs, which grant the Master of Science Degrees in Management, and International Relations. Enrolling in two courses per term can enable the individual to earn his degree in fourteen months, including an optional thesis. This program provides the serviceman with an opportunity to broaden his education and even earn his Master's while stationed in Europe in the military.

On August 30, 1975, Troy State European Division held its first graduation exercises, awarding 59 Master of Science Degrees. On August 21, 1976, 387 Master of Science Degrees were earned. This year on June 4, the Master of Science Degree was conferred upon 211 graduates. The commencement address was delivered by Dr. C. Northcote Parkinson, Professor Emeritus of Troy State University, to whom an honorary Doctor of Letters degree was awarded; the degrees were conferred by Mr. McDowell Lee, President Pro-Tempore of the Board of Trustees representing Dr. Ralph Adams.

The undergraduate program of Troy State University in Europe was begun on March 22, 1976, at Olso, Norway, TSUE offering the Bachelor of Applied Science Degree with a major in Resources Management. From this beginning of two classes with 43 enrollments, the program has now grown so that TSUE is located on four additional bases: Soesterburg, Holland, and three bases in Germany, viz., Hessisch-Oldendorf, Sembach, and Zweibruchen.

The BAS program has become quite viable with a bright future. Strong interest has been expressed from several bases in Germany and in England. There are reliable indications that additional undergraduate programs of TSU would be welcome in the European Division.

The BAS Degree has definite appeal for the military community, since it utilizes credit through non-academic sources as well as traditional academic pursuits. Non-academic credit is awarded for accomplishments such as military experience, successful completion of specific Service Schools based on ACE recommendation, and credit by examinations, e.g., CLEP general subject examinations and USAFI credits.

COOPERATIVE EDUCATION

Cooperative Education is an all-university educational program wherein students are able to blend theory and practice by combining academic study with planned supervised and paid work experience related to their career field.

Students alternate quarters of on-campus study with quarters of employment in business or government organizations. Each position is shared by two students who have similar career objectives. While one student works full-time the other attends classes, and at the end of each quarter they switch places.

Cooperative Education is listed in the TSU Bulletin under "Registration in Special Programs." It is a free-elective course, granting 5 credit hours per quarter, and students may earn up to a maximum of 15 credit hours toward the baccalaureate degree, depending on their major.

During 1976-1977, major fields of study represented by working Co-op students included environmental science, criminal justice, mathematics, business, secretarial science, physical education and recreation, social rehabilitation, computer science and accounting.

The Cooperative Education program is under the direction of Mr. Arthur L. Jansen. Offices are in 111 Bibb Graves.

NEW ADDITIONS

FROM A GOLF COURSE

. . .

TO A POOL . . .

Something that has been added to this year's book, is a Section called New Additions. In this section we tried to cover everything that has been new, or will be new in the months to come. 1976-77 has been a growing year for Troy State University. Many new things happened on campus this past year, in which students of the future will benefit greatly. With the things that are being built, maybe Troy State will not be known as a "Suitcase College" and become a place where students can gather on weekends. The pictures that are on the following pages, are self-explanatory and we feel that this is the best way to describe what has happened on the campus of Troy State.

REFLECTIONS ABOUT "TROY"

By Dr. R. H. Ervin
Honorary Alumnus and Professor Emeritus of Psychology

Alma Mater — R. H. Ervin
Tune: "Battle Hymn of the Republic"

In the valleys with the lilies or on mountain tops or leas,
Midst the cities of our country or in those beyond the seas,
Troy State University will shine above all these
In mem'ries that we love.

Her golden flag of justice and her firmament of stars
Shall ennoble her alumni in the sacraments of love.
They shall serve all mankind's uses with ideals all from above
In faith, hope, truth, and love.

Troy State University, Gibraltar of all truth,
We shall follow where you beckon;
Where you lead we'll follow through.
All your holy visions we'll *build* right sound and true.
We'll aye be true to you.

You have taught us to be holy, you have taught us to be free,
To our country to be loyal, as we always are to thee:
We shall give thy sacred message to the great and to the small;
We're for country, Man, and God.

Chorus

ODE TO OUR BICENTENNIAL

From thy mountains everlasting to thy cities by the sea,
From thy shores of inland waters, over hill and greenland lea,
Have our fathers built a nation, stout and strong and brave and free,
Seeking peace and liberty.

Rugged art thou, mighty homeland; stormy seas engirt thy shore;
Danger rides upon thy cyclones; floods from out thy rivers roar.
Desert land of drought and sandstorm, tyrant master thou would be;
Unless we can master thee.

Lo, thy lofty western mountains wondrous rich of peak and cave,
Lo, thy plains and shores unmeasured which the mighty oceans lave,
Lo, this land of rocks and rivers rich in plain and lake and hill,
Testing well our force and will.

Thou art fit for heroes only, land of mighty wind and wave,
For thy rivers and thy highways yield to none except the brave.
Wealth of mine lies deep within you, treasures in thy bowels lurk,
Yielding only to hard work.

Epic land of epic effort, lo, your challenge we accept
We shall surely keep the purpose which our fathers long have kept.
Thou hast been a worthy foeman and a friend and partner strong
Union of a mighty throng.

Lo, our nation stands surrounded, friends and foes on sea and land.
Give to us then, God, thy blessing, let thy wisdom guide our hand.
Land and people, strong, united, pledge anew to all the earth
God's republic come to birth.

Men our comrades, men our brothers, come and join us, take our hand;
We must build earth's great republic on the sea and air and land.
Foemen of the past, in future must be friends and brothers true,
Who must live as brothers do.

A Dream of "Troy" . . .
A Sonnet in Hexameters

Oh Troy whose white robes of morning shine with diamonds of dew,
Thou city of temples of learning domed by skies white and blue,
Time has waved her wand to raise your palaces rich;
And music has chimed her lyrical rainbows lovely of pitch.
Thy holy paeans sublime shall outlast the passage of time!
Oh heavenly Trojans, you have raised our souls aloft,
As God's own circles of lights, bright, mellow, and soft.
Thy sacred spirits, heavenly virtues, fountains of love,
With thy magic, make us more worthy the saints above.
As God is love and our love is like God's divine,
Take us, use us, take us with hearts made divinely fine;
Make us surely, truly sacred sons of thine.
Make us over even in thy own design;
Then will Trojans shine as angelic children of thine.

By the time that you see this book, another one will be in its planning stages. This past year has been a great experience for me, knowing that the finished product that I started out to complete will yet, tell another year in the history of Troy State University.

This past year has been one of many ups and downs for the PALLADIUM Staff. Not knowing whether or nor something that we thought would look good on paper, would look good to the student body. We have planned and completed this book, hoping that we have truly covered a year in Troy State history. We also hope that we have not left something out of this book, that was important to you. If so, please accept our apologies.

This year's staff tried to do things a little different, than in the years past. We added a new section, in hopes that it would tell everyone that Troy State is one of the fastest growing Universities in the South. If you sit back and really look at the book, you should notice that we have let the pictures tell the story of this year at Troy State.

It took many people to get this book to you, and I personally would like to thank them. Mr. Steve Neshiam of Lori Studios, for his work on the Class and Greek pictures. To our staff artist Harry Hammond, who did an outstanding job on the cover and division pages. I would also like to thank one of the best photographers that has ever worked on the PALLADIUM staff, Henry Roddam.

And of course special thanks goes out to my two Associate Editors, Susan Summerville and 1978 Editor, Jennifer Harbuck. Other staff members who did an excellent job in their work; Ann, Barb, Dale, Peggy, Brenda, Thanks.

Special thanks must go out to my advisor, Jacqueline Smith who really put up with me when I would come to her, to make a change in the book. I would also like to thank, Dean Gibson and President Adams for their efforts and success in making Troy State what it is.

This last year has been a real experience to me, I have learned a great deal more about Troy, than most students do. I want to wish good luck to next year's staff, because I know they are going to need it, cause I found out you need a lot of it, to do this job.
